Imperative Solutions Ltd

Dear Graham,

Following on from the time we, myself and Martin, spent with you I would like to provide you with some positive feedback.

The personal development coaching programme we undertook was extremely beneficial for both myself and Martin. Not only did the programme refresh some known theories and techniques but also introduced us to new ones too, which we have since utilised within our business with a great degree of success.

I would not hesitate to recommend this programme to likeminded business owners who are looking to develop themselves personally.

Yours sincerely,

Dale Pollitt ACA CTA
