PDC provides unparalleled support to clients in the SME sector. PDC's expert and highly qualified staff work as advisors, management consultants and interim managers throughout the UK. We provide training and consultancy services in the following areas –

- Change management and Organisation Development
- Commissioning services
- Curricula design and syllabus development
- Employee relations
- Employment law
- Evidence Based Decision Making
- Human resource development
- Human resource management
- Institutional capacity building
- Leadership development
- Management audits
- Operational and strategic management
- Procurement management
- Project management
- Quality management and quality assurance
- Staff Management
- Systems development
- Team building
- Training audits and needs analysis
- Training the Trainers

Our advisors work on short-term and long-term assignments to suit the needs of the client. Contractual arrangements are developed prior to engagement and all work is subject to continuous quality improvement (CQI) processes.

Major clients include e-BDA Institut, AlphaPlus Consultancy Limited, Leoron PDI, PricewaterhouseCoopers; The European Commission; the UK's Coastguard Agency; the UK's Ministry of Defence; and the UK's Health and Safety Executive.
