## L(if)e Happens.

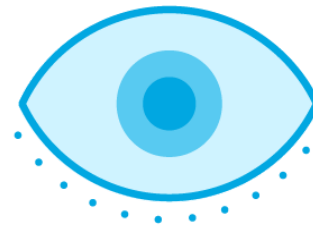

Get dental, vision, and **FREE** health insurance in one place by scanning this QR code and getting a quote.

### Health Insurance

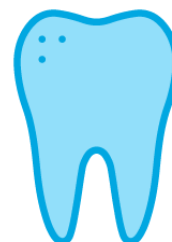

I can help apply your Affordable Care Act (Obamacare) tax subsidy for **FREE**/low-cost plans from all carriers like Blue Cross Blue Shield and Ambetter.

Plans are valued at \$370-\$1,434 per month!

### Vision Insurance

Compare coverage from all major companies to get the best price.

### Dental Insurance

Get rates from all major companies - plans average \$9.00/month.

Aflac plans provide peace of mind by paying **you cash** for expenses health insurance doesn't cover.

### Critical Illness Insurance

Get help with the cost of treating critical illnesses like strokes and heart attacks.

### Life Insurance

Protect the financial future of your loved ones with the most affordable rates from all major companies.

### Accident Insurance

24/7 accident protection for on and off the job injuries - as small as a cut to as big as accidental death.

### Cancer Insurance

Get help with the financial and emotional effects of cancer.

My boss at Aflac was the poster boy for this product because he was diagnosed with cancer at 16, and Aflac paid his family around **\$50,000** by the time he was cancer free!

All plans can cover your children too - they think they're invincible, we know they're not!
