

# Connecting you Nationally

Proud to be a member  
of Relocation Agent  
Network, formerly  
Home Sale Network

There are Relocation  
Agent Network members  
in major towns, cities and  
rural areas across England,  
Scotland and Wales.

With our National Connections, we work together  
with Relocation Agent Network members up and  
down the country to help people buy and sell  
homes, wherever they may be.

So if you're selling, Relocation Agent Network  
can offer you the potential of additional out of  
town buyers viewing your property and if you're  
buying, we can help you find your new home  
across England, Scotland and Wales.
