## CLASSICS

MADAGASCAN VANILLA
Our vanilla sponge is moist and fluffy. Flavoured with Madagascan vanilla bean paste. Layered with Madagascan vanilla buttercream, and Bonne-Maman jam if you'd like.

BELGIAN CHOCOLATE
Our Belgian chocolate sponge is our best seller. Ours is made with Belgian chocolate, making it almost impossibly moist so that it melts in your mouth. Layered with chocolate buttercream.

ZINGY LEMON
We spike the sponge with lemon zest and lemon extract to make it zingy! Layered with a more subtle lemon buttercream, and lemon curd if you choose.

FLUFFY RED VELVET
Our personal favourite. Our red velvet is air-light! Layered with Madagascan vanilla buttercream.

COOKIES AND CREAM
Our super moist Belgian chocolate cake. Layered with buttercream packed full of oreo crumb!

PEANUT BUTTER & JAM
It doesn't get much more classic than PB&J. Peanut butter sponge, layered with crunchy peanut butter buttercream and Bonne-Maman jam.

## OOH CAKE SPECIALS

COOKIE DOUGH
Take your pick from our Belgian chocolate or Madagascan vanilla sponge. Layered with matching buttercream. Mixed into the buttercream are pieces of our home-made edible cookie dough packed with Belgian chocolate chips.

COLA CAKE
This is a Southern American classic. And we love it! Chocolate sponge is flavoured with a touch of cinnamon and, you guessed it, a good slug of Coca-Cola. Layered with chocolate buttercream with even more Coca-Cola, and a good sprinkling of Belgian chocolate chips.
A Cherry Coke fan? Add layers of cherry preserve!

CHOCOLATE & HAZELNUT PRALINE
We've elevated our Belgian chocolate sponge with the addition of home-made hazelnut praline baked into the batter. The buttercream is a mix of Belgian white chocolate and more praline. It tastes just like Kinder Bueno!

MINT CHOCOLATE CHIP
Our favourite childhood ice cream flavour brought to life in cake form. Our moist Belgian chocolate sponge. Layered with peppermint buttercream, mixed with a generous helping of Belgian chocolate chips.

PINA COLADA
One of our favourite cocktails inspired this flavour. A rum sponge, layered with our home-made pineapple preserve, and coconut buttercream, spiked with a little more rum (OPTIONAL).

SALTED CARAMEL
Our Madagascan vanilla sponge gets an upgrade here. We make it with soft brown sugar to give that caramel flavour throughout. Layered with Madagascan vanilla buttercream, and our home-made salted caramel.

All of our bakes are made in the same kitchen. We take every precaution to ensure there is no mixing of ingredients between bakes. However, we cannot guarantee that any bakes are free from any allergens. Visit our website to learn more about the ingredients we use.
