

North Coast Heavy Towing — 24/7 Towing Services in the Mid North Coast

For All Your Towing Needs

Whether you're stranded on the side of the road, been in an accident, or need something heavy transported—North Coast Heavy Towing is your affordable solution.

We provide 24/7 light and heavy towing services for clients throughout the North and Mid North Coast, including Ballina, Grafton, Coffs Harbour, Macksville, Kempsey, Taree and Port Macquarie.

What We Tow

With a comprehensive fleet of specialised vehicles, we can tow:

Cars

Oversize Vehicles

Heavy vehicles

Plant & Equipment

Shipping Containers

Specialised Items

Our team are proud to provide good old-fashioned country service.

We provide towing services for individuals and local workshops.

We also provide breakdown response services for companies such as NTI, NRMA, Allianz Global, RACQ and many more.

Depot Locations

- Port Macquarie
- Macksville
- Ballina
- Taree
- Kempsey
- Coffs Harbour
- Grafton

About North Coast Heavy Towing

Locally Owned & Operated

North Coast Heavy Towing was established in 2000 after recognising the lack of 24/7 towing services in Coffs Harbour for cars, motorbikes and caravans. Based in Woolgoolga, we provide light and heavy towing services throughout the North to Mid North Coast, including Ballina, Grafton, Coffs Harbour, Macksville, Kempsey, Taree and Port Macquarie.

We pride ourselves on providing quick response times (at all hours of the day and night) as well as good old-fashioned country service. Rest assured, we have approved OHS&E management plans in place for every piece of equipment we use operated under maintenance schedules.

Whether you need a car, truck, excavator, shipping container or something else transported, we can provide a reliable and affordable solution. Call 1300 658 697 for all your towing needs.

Our Comprehensive Fleet

In order to be able to tow cars, heavy vehicles, shipping containers and everything in-between, we need a big fleet. In fact, North Coast Heavy Towing has the most comprehensive towing and transport fleet in the Mid North Coast — and that's something we're very proud of.

Coming to Your Rescue

Car broken down on the side of the road? Been in a car accident? Run out of fuel and need a lift? The team at North Coast Heavy Towing is here to help. Our experienced tow truck drivers provide 24/7 car towing services throughout the North to Mid North Coast, including [Ballina](#), [Grafton](#), [Coffs Harbour](#), [Macksville](#), [Kempsey](#), Taree and [Port Macquarie](#).

Your Oversize Transport Solution

Got a vehicle that's unsuitable for driving on the road but still needs to be transported? At North Coast Heavy Towing, we relocate a wide range of oversized vehicles and machinery, including: 4WDs, Buses, Trucks, Off-road vehicles, Monster Trucks, Trade equipment & machinery.

Heavy-Duty Towing & Recovery Experts

If you require heavy vehicles to keep your operations moving, you can't afford costly delays. So, whether you need a heavy vehicle transported to a worksite or a relocation for one that's broken down, the team at North Coast Heavy Towing is here to help. We tow a wide range of heavy vehicles and machinery, including: Dump trucks, Excavators, Mobile homes, Graders, Earthmoving equipment, Buses, Trucks and Monster trucks.

Transport & Recovery Towing

When it comes to transporting plant and machinery, dragging them is not an option. It should be left to professionals with specialised equipment. That's where we come in. At North Coast Heavy Towing, we provide 24/7 plant and equipment towing for clients throughout the North to Mid North Coast, including [Ballina](#), [Grafton](#), [Coffs Harbour](#), [Macksville](#), [Kempsey](#), Taree and [Port Macquarie](#).

Shipping Container Towing

Shipping containers, as you would expect, can be tricky to transport. They are extremely heavy and require specialised equipment to transport them efficiently and—most importantly—safely. Thankfully, we can provide the reliable container transportation services you need. At North Coast Heavy Towing, we offer 24/7 container transport services for clients throughout the North to Mid North Coast, including [Ballina](#), [Grafton](#), [Coffs Harbour](#), [Macksville](#), [Kempsey](#), and [Port Macquarie](#).

Your Specialised Towing Specialist

Got an unconventional or especially large item that needs towing? You've clicked on the right page! At North Coast Heavy Towing, we transport a wide range of items that are unique in shape, oversized, not allowed on the road or otherwise. Examples include: Boats (or just the boat propeller), Ride-on lawn mowers, Catamarans, Grain silos, Water tanks, Construction materials, Planes & aviation equipment.
