OUR EFFORTS YOUR SUCCESS

We are experienced and trusted partner, providing Low-Cost Recruitment Services to Small and Medium sized enterprises throughout the world.

WHO WE ARE AND WHAT WE DO

Click Staffing Services has established itself as an experienced and trusted partner, providing Low-Cost Recruitment Services to Small and Medium sized enterprises throughout the world. For years, Small business owners and managers have struggled to find the perfect staff and have wasted their time and money either through traditional recruitment businesses or through their own hiring process. Click Staffing Services operates with discretion, confi-

dentiality and honesty, and our clients keep coming back because of our passion and determination. We are known for finding top talented professionals for all sectors of business. Simplicity and creativity are the cornerstone to our success, that's why the whole recruitment process can be completed online. We only charge a single flat rate fee for any position in any industry, therefore you can save up to 80% of your time and money com-

pared to hiring a traditional recruitment agency or advertising on your own. Click Staffing Services has a multilingual, dynamic and enthusiastic team. We believe that international mobility can offer great career opportunities. Through our wide-ranging experience in specialized and multilingual recruitment, we can offer a uniquely tailored solution to the recruitment process of each company. All of our candidates are pre-screening interviewed.
