Chocolate Lamington  4.95

Named after Lord Lamington, Governor of Queensland at the turn of the 20th century, this quintessential Australian dessert has conquered the world. For our version we lovingly coat chocolate brownie in chocolate sauce and flakes of coconut. We then lash on whipped cream and raspberry coulis.

A slice of baked vanilla cheesecake topped with fresh strawberries and tangy raspberry sauce - heaven!

A warm chocolate brownie served with vanilla ice cream and chocolate sauce. Who wouldn't?

Who came up with this first – Australia or New Zealand? The argument still rages on. What is certain is that the dish was dedicated to Russian prima ballerina Anna Pavlova when she visited in the 20s. We take a meringue base and top it with lashings of whipped cream, fresh berries and raspberry coulis. How delightfully decadent.

A devilishly delicious slice of awesomeness served with vanilla ice-cream.

Delicate and creamy vanilla ice cream served with lashings of chocolate sauce.
