MULTI-CHANNEL LEADS

We take your business to higher ground

We help cybersecurity, IoT, and tech companies increase sales, boost profits and build a winning marketing strategy

We foster a culture that encourages creativity, experimentation, and learning, allowing us to adapt to changing market dynamics and deliver cutting-edge solutions.

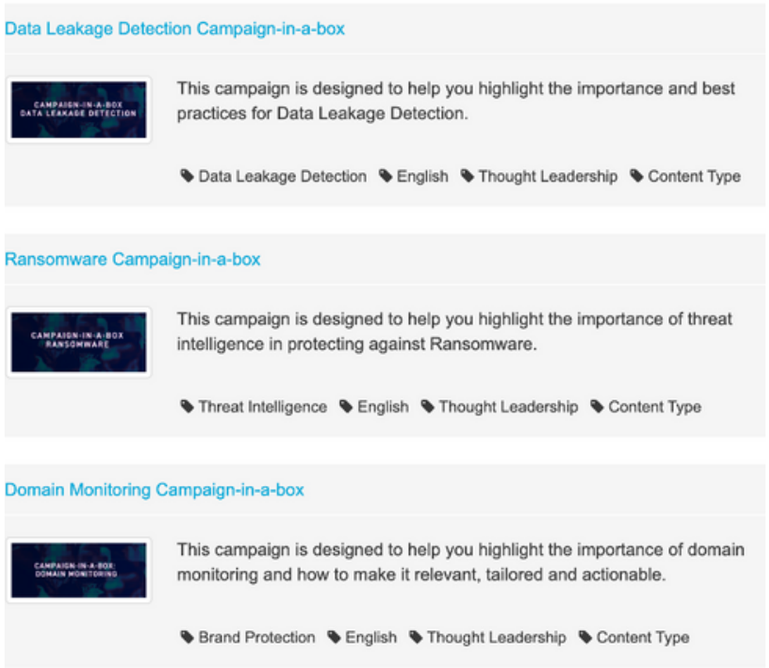

Marketing Services

At Multi-Channel Leads, we offer marketing outsourcing, partner marketing, and demand generation solutions to cybersecurity, IoT, and tech companies. Our partner marketing services help clients build strategic partnerships that can drive growth and increase their customer base. Additionally, our outsourcing marketing execution services provide businesses with access to expert marketing talent without the overhead costs of hiring an in-house team.

Our Portfolio

Let our work speak for itself by presenting a portfolio. Here are some of our previous clients projects like cybersecurity campaign-in-a-box, Italian food venue launch and event management.

Client Testimonials

“I truly enjoyed working with Mihaela and really appreciated her success in activating the EMEA Channel Partners. She helped build both a lead funnel as well as a marketing and business plan with each partner."

GLENN GERRARD, CA

"Exceptional marketer who consistently delivers outstanding results. Working with Mihaela over the past few years has been an absolute pleasure. Her unwavering determination, relentless drive, and forward-thinking approach have been a true inspiration."

MORGAN JAMES, NY

“Mihaela possesses the unique ability to turn challenges into opportunities to achieve outstanding results. Without a doubt, she is someone you want by your side in any endeavour.”
