Regular maintenance must be upheld and recorded in accordance with 'Playcubed inspection and maintenance guidelines'. Playcubed guarantees do not include defects caused by misuse, vandalism or damage and exclude fair wear and tear. All Playcubed products not listed above are guaranteed for one year. During the guarantee period, Playcubed will supply materials and components free of charge, to replace failed materials and components only. Workmanship and replacement installation will be free of charge up to one year after completion. The guarantee period is valid from completion date of installation. Exchange of a component or product does not extend the guarantee period. VPG terms of business apply.
