WE ARE EXCITED TO INTRODUCE!

We know how hard it can be to take care of elderly residents, and so we acknowledge and understand that relatives who provide excellent care for their loved ones may need time to themselves for a few days in the week.

And so we at Chapel Lodge are excited to introduce a new private Day Care Scheme.

We will provide:

- Care from 10am to 5pm
- Own private room to freshen up and rest
- Two home cooked meals
- Plenty of activities

Imagine the peace of mind you will get from being able to recharge your own batteries, whilst knowing that your loved one is getting the best possible care in a supporting and understanding environment.

For more information and prices, please feel free to call or send us an email. Or simply drop in for a cup of tea and gain further insight and a better understanding of who we are and what we provide.
