

What if you could get a complete office print, copy, scan solution with no capital outlay or consumables costs?

Our offer gives your business a way to have the facility of an office photocopier, printer, scanner, whilst avoiding the thousands of pounds cost to your cashflow. And we know how important cash flow is.

This offer is a simple 90 day rolling support agreement, so when your business needs to adapt, you are not locked into a costly long term financial commitment. Instead, as a Copyvision customer you will have a flexible managed print solution that works with your business, not one that holds it back.

We install equipment in your office, supply everything it needs, and all you pay is one monthly bill for the prints/copies produced.

What you get...

- A Konica Minolta Bizhub C224e.
- A 90 day rolling support agreement.
- 1,500 colour prints/copies per month.
- Combine & share print/copy volume for multiple device customers.
- Progressive colour pence per print/copy price structure.
- Toners & consumables.
- Parts.
- Onsite engineer support.
- Help desk support
- Delivery & installation
- Future hardware upgrades
