Accountants in Stockton On Tees

Are you a Stockton On Tees based startup, small business or a well-established company looking for friendly and trusted accounting services for your business, tax and accounting? Specialists at Makesworth Accountants in Stockton On Tees are here to help you with all your requirements. We are a multi-award-winning accountancy firm, committed to offering a clear economic benefit to you by combining our knowledge with professional service and a personable approach. Our Stockton On Tees team comprises some of the top minds in the industry to advise and assist you with tax returns, tax planning, and tax savings including income tax, VAT, corporation tax, inheritance tax, property tax and capital gains tax. If you are self-employed or a contractor based in Stockton On Tees, you can expect specialised services from our expert contractor accountants.

Makesworth also provides bookkeeping software that will help you manage payroll and ease your day-to-day financial needs. Our specialised services will ensure that you do not pay a penalty to HMRC for as long as you are associated with us.
