STONE CIRCLE

Stonehenge is a "must see" for anyone visiting the UK. Walk amongst the stones & experience the magical atmosphere within the inner circle. *"A once in a lifetime experience".*

Stonehenge - The Stone Circle is a masterpiece of engineering, and building it would have taken huge effort from hundreds of well-organised people using only simple tools and technologies.

The great and ancient stone circle of Stonehenge is one of the great wonders of the world and has been awarded World Heritage Status. The most famous prehistoric impressive rock formation **"Stonehenge"** evolved from a simple bank and ditch in the Neolithic period, origins date back almost 4,500 - 5,000 years ago, to a very sophisticated stone circle built on the axis of the midsummer sunrise.

It may have been an astronomical observatory or used for sacred rituals linked to the sun, successful crops or even the dead. The prehistoric monument is a world heritage and till now their purpose is still hotly disputed to this day. It is a wonder of the world, a spiritual place and a source of inspiration. Why it was built is a mystery, it has been a pagan religion place of spiritual worship, an astronomical clock and a Bronze Age burial ground.

Not to be mention public debate ever since with many different meanings to people today. What was this vast collection of stones intended for? Was it observatory of the moon, a temple to the sun, or an elaborate cemetery? Who were the people who carried and carved these 40 ton rocks? Come and unlock the secrets for yourself and marvel at this remarkable and mysterious feat of ancient engineering and design.

There are many stories about the significance of Stonehenge. We simply don't know, but you can learn about them at the site. Explore the stones, learn about the history in the visitor centre and make up your own mind! While you discover this unique monument.
