INDUSTRIAL/WAREHOUSE MANPOWER SUPPLY

Operating mainly from Klang Valley, we manage a team of general and skilled workers for warehouses and Industrial.A huge potential for outsourcing workers to a third party .We are currently providing this services to a few multinational companies in Klang Valley on contractual basis.

CONTAINER STUFFING/CONSOLE LOADING/PALLET/LOOSE

We provide experienced labour force for stuffing and unloading for containerized shipment.A survey inspection certificate with photographs will be issued accordingly - this is to ensure the goods are carefully and appropriately loaded as per shipper/ consignees requirements. To enhance our transportation & services for the global market, the company also provides for independent surveyor to inspect and account for the goods prior to loading and stuffing and thereafter witness the loading/ sealing of the containers .

PICK&PACK/CO-PACKING

GOLDRISE fulfillment team has been picking items for orders, packaging the items safely and securely, and promptly shipping to end customer since 2005. Order fulfillment options including breaking down pallets of cases for shipment of individual cases, picking individual items (pack or inner packs) from cases for order fulfillment as well as building new cartons, packs or pallets to meet customer requirements.

WAREHOUSE SPACE LEASE

We provide warehouse space non-bonded warehouse at Klang, Shah Alam & Subang for handling of breakbulk service, custom clearance import&export, transshipment of goods to other destinations and temporarily storage / warehouse (if required), etc. For Sea Shipments we can also arrange for bonded or non-bonded warehouse for temporary storage .
