## Who are we?

Multi Surface Repair Specialists Ltd offer a comprehensive package of specialist cosmetic repair and refinishing services specifically designed for the Hospitality, Travel and Marine industries. We are ideally situated to respond to our clients' requests 24 hours a day, 7 days a week, no matter where in the world we are required. Prided on our attention to detail and high quality workmanship, MSRS is sure to offer the service you require, when and where you need it.

Demand for bespoke, made to measure services, is at an all time high. By ensuring we offer a high quality, comprehensive service all under one roof, we can help our clients save money and time. We are not like any repair company you will have come across before, we don't put quantity over quality, and we only work for the best of the best. We pride ourselves on doing the job properly, using only the highest quality materials. Focusing on providing old fashioned, good quality service from start to finish, our prices are simple, and transparent. Our only secrets are our repair methods.

The scope of services we offer means you will always find what you are looking for, even if you didn't know you were looking for it! We hope this handy guide will help you find the right service you require, and of course, if you have any further questions or would like to organise a free presentation so that we may show off our full potential, please do contact us.

I look forward to working with you in the near future.

## Hard Surface Repair

We offer a comprehensive Hard Surface Repair service. As a rule of thumb, 90% of surfaces can be repaired. This represents a huge saving when compared with the price of replacing items such as tiling, marble, flooring etc. Especially where such items are tailor made.

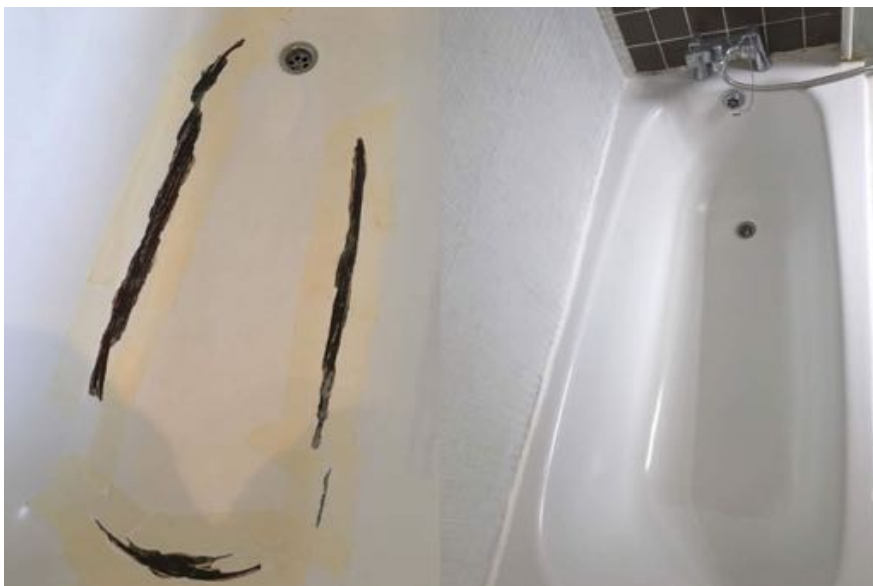

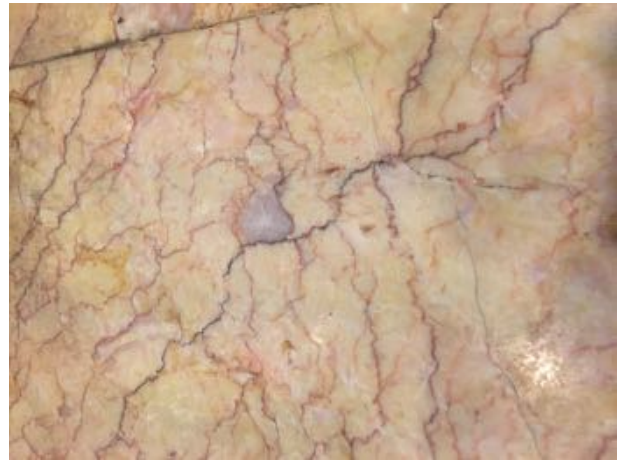

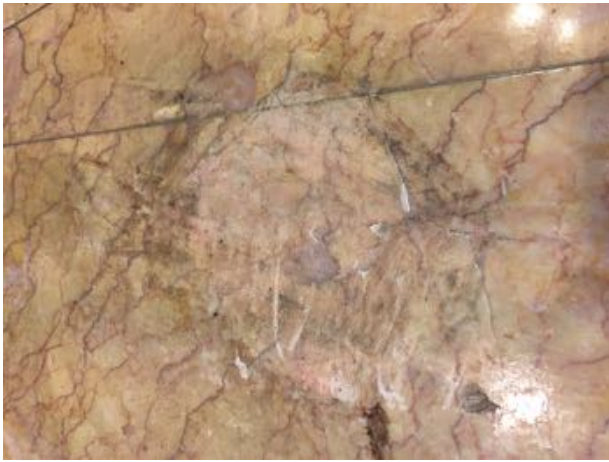

We can repair chips, scratches, dents, scuffs etc. in:

- Wood
- Most metal finishes
- Baths/ Basins/ Wet Units
- Ceramics
- GRP
- Laminates
- Marble and Granite
- Furniture and Fixings
- uPVC

This list is just a selection of some of the items we commonly repair and is not exhaustive. In theory, most items and materials are repairable. It is not unknown for us to go out of our way to find solution for trickier repairs.

## Spray Finishing and Smart Repair

Spray finishing opens up a whole new world of finishes and effects using materials to suit any environment. We specialise in high gloss, decorative and faux finishes as well as smart repair and refinishing. We use only the highest quality paints and will undertake bespoke and out of the ordinary projects.

With our in-depth industry knowledge and countless years of experience, we are able to provide smart repair and refinishing to a wide variety of projects and substrates, including plastics, GRP, Carbon Fiber, Vinyl and Leather, and much more.

As well as fine spraying, we also offer airless spraying for decorative applications, for example ceilings and other large areas that would otherwise be time consuming to decorate.

## French Polishing

Our team of highly skilled polishers are able to undertake restoration work and finish new build projects. We work with traditional materials as well as the latest innovations in wood finishing to provide a top quality service. Our team are also able to undertake repairs to marquetry, inlay and veneer as well as bar top refinishing and all other forms of wood finishing and regular care.

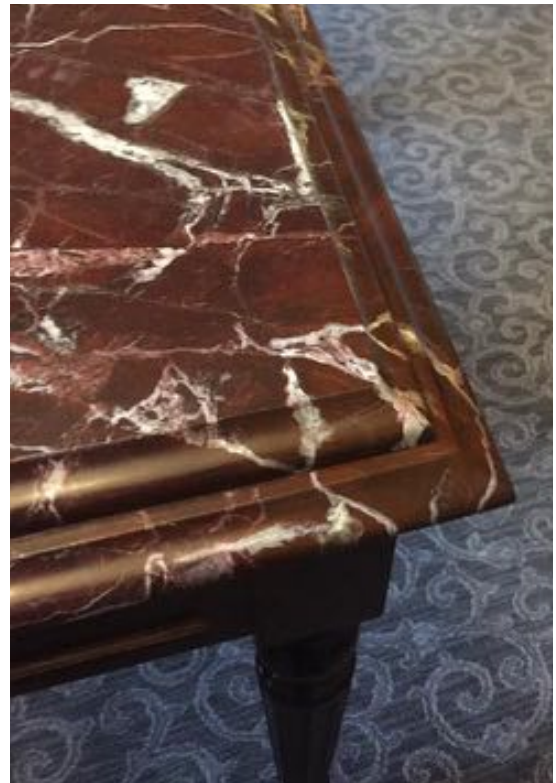

## Stone Repair and Polishing

Replacing dull or broken stonework is time consuming and expensive. We offer a high quality on site solution using our own methods and materials that give truly outstanding results. Our stone repairs are long lasting and look just like the real thing and our polishing service for marble and granite can restore the stones natural sheen and colour.

We are also able to remove ring marks caused by drinks, repair screw holes and remove scratches.

## Leather, Vinyl and Upholstery Care

Cracked, faded or stained leather can leave a lasting impression for your clients. Our highly skilled team can ensure the impression you leave is the right one with our leather refinishing service. Using high quality materials, we are able to repair and care for your upholstery, prolonging the life of and rejuvenating tired furniture. We are also able to carry out repairs to fabric.

## Interior Decoration

We offer unrivalled quality interior and exterior decorating. With a lifetime's worth of experience and product knowledge, our decorating team can help you choose the correct products and finishes no matter what your project including specialist coatings such.

For owners and operators of heritage properties, we have an extensive knowledge of the kinds of materials used during the original decoration of your property. This means we can offer you the high quality finish you expect, using materials that won't detract from the heritage feel.

## Bespoke Services

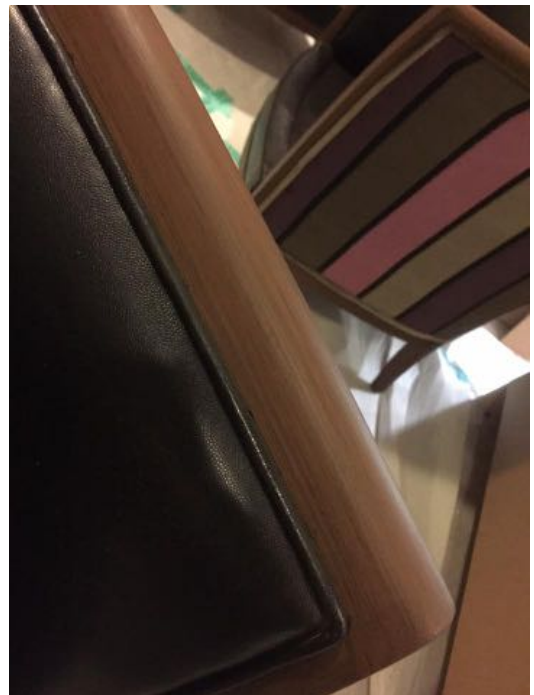

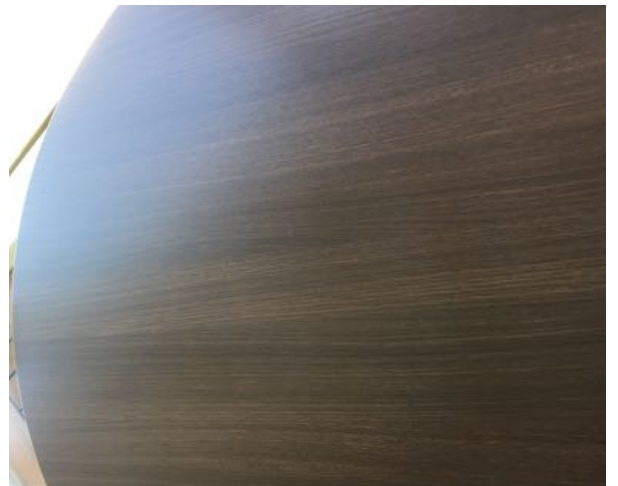

The wide skill set of our workforce means we are able to offer a range of specialist services. These include, but are not limited to:

- Gilding
- Veneering
- Signwriting
- Faux Finishing
- Murals/ Trompe L'Oeil

Here at Multi Surface Repair Specialists Ltd we are happy to take on bespoke projects and are committed to working closely with our clients to achieve the perfect finish.

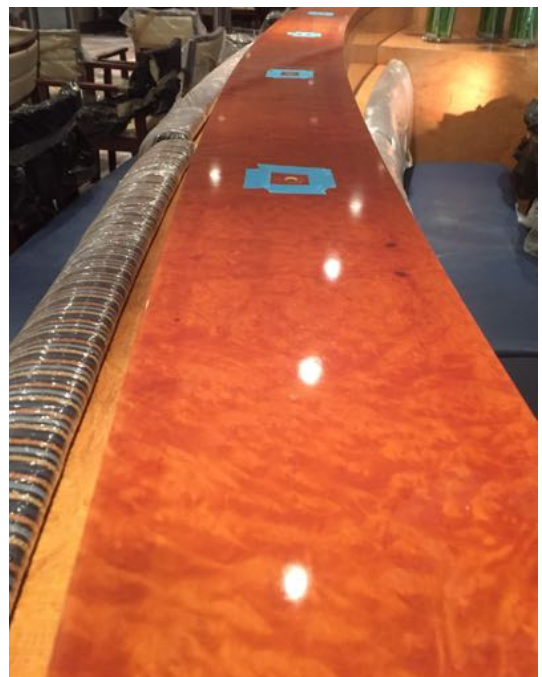

For more information, or for a free quote, please do not hesitate to contact us.

All types of projects undertaken, land and sea based, large or small, anywhere in the world.
