RENT A FLAT PACK STORAGE UNIT THAT COMES TO YOU!

- Easy to install flat pack storage units
- Extra storage space at home or at work
- Weather proof and insulated
- Ideal storage solution all year round

KEY BENEFITS

Storage Drop is a new and innovative solution to your storage needs.

If you have a driveway, yard area or garden we can bring a storage unit to you.

A hassle free solution which allows you to keep your belongings close by.

Featuring:

- Flat Pack assembly
 - Robust fully insulated walls
 - 30 minute on-site set up
 - Excellent security
 - Great value for money
- ✗ No more removals companies
 - ✗ No more hiring vans to drive to storage sites.

Customer Feedback

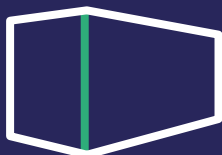

"Its genius. We used it while renovating our house.

The Storage Drop team installed the unit in the garden and 4 months later came and collected it.

Our belongings never went more than 10ft from the house."

HOW IT WORKS

Man-portable units - Easily carried through alleys and passageways to previously inaccessible areas...

CAN BE USED ALMOST ANYWHERE!
