BIG TOP MANIA

BIG THINGS HAPPEN IN LITTLE TENTS

WE'RE MUCH MORE THAN JUST A MARQUEE COMPANY

Thanks for taking an interest in our services, we like to think we're fairly unique in what we offer. We're a circus company, we hire marquees, we put on shows, we host amazing parties and we help couples hold their weird and wonderful weddings. It's quite a juggling act!

We've been in operation since 1987 and have developed and grown organically through this time. Today we operate as both an entertainment company and a marquee hire provider operating mainly out of our 2 bases in Devon and Bristol.

We're equally passionate about performing in the circus as we are to creating beautiful event landscapes and love spreading colour and smiles amongst hundreds of events around the UK every year.

"Do not even look anywhere else if you're looking for a circus tent for your event. These guys have made our wedding just perfect by providing us with the most wonderful venue! Thank you so much all of you for your hardwork and the miles you've had to travel to make it all happen we are so grateful!"

IMPORTANT BIT,

PLEASE READ BEFORE LOOKING AT PRICES

- The brochure includes prices for all of our big tops and marquees but does not include the travel costs. We are quite a niche service and don't exclude any areas completely so for a full quote you will have to get in touch.
- Prices for our structures are the same whether you are a festival or a couple getting married, we don't like when people charge extra for weddings!
- In terms of capacities this brochure is geared towards weddings and parties rather than for venues.
- Capacities included are designed as a guide figure only, actual numbers might depend on what else is happening inside the marquees or level of formality.
- We have a large range of event accessories to create marquee packages. Refer to our accessories brochure for prices on these or get in touch for a bespoke package.

Enjoy having a browse and take inspiration from our previous clients. If you love what we do then fill in an enquiry form on the website for a full quote.

It's our Candy range of mini me's. Available from as little as 2.5m in diameter and upto 9m. In fact we have an 9m version that extends upto 9x20m.

The smaller tents work great as add ons to compliment the main big top. Arranging them in a semi-circle can give a great festival feel for private parties and create a colourful landscape.

Perfect for chill out tents, children's areas, bars, cloakrooms, changing rooms etc.

LOVE

IF YOU STILL WANT MORE CANDY HAVE A CANDY BAR!

In 2015 we recognised the demand for a slightly narrower circus style marquee, it allows us to still host great parties in an impressive tent but in a smaller build space. So Candy Bar was born and has been a popular addition for long thin gardens.

It's perfect for slightly smaller parties or as an additional venue for bigger events.

This tent comes with Red and White striped walls to match the roof.

It's available as a 1 pole, 2 pole or 3 pole and has the following prices and capacities.

NAME	SIZE & INTERNAL SPACE	CAPACITY	HIRE PRICE EX VAT	CARPET
Candy Uno	9m Round 64m²	40 at tables	£900	£195
Candy Dos	9x14.5m 113m²	75 at tables but you could squeeze 120 if there is nothing else going on inside. 225-339 standing	£1200	£340
Candy Bar	9x20m 160m²	110 at tables or 140-170 if there was nothing else inside. 334-500	£1500	£490

RED ROCK

Named because it's solid as a rock! This is our 6x6m pagoda style marquee. It can be installed on concrete as well as grass and has no king pole leaving you with a nice clear space in the middle.

It works great as a large foyer for our bigger tent installations and matches the colour scheme nicely.

Or as a stand alone structure it's been used as a central structure for freshers events at a range of universities.

Hire price is £500+VAT when booked with other tents.
