BESPOKE ENGAGEMENT RINGS

Specialists in designing and handcrafting bespoke engagement rings that are truly unique.

DESIGN CONSULTATION

We establish your design inspiration, budget and timeframe. We will then prepare some drawn sketches.

3D IMAGE

Once a design has been agreed, we will render a 3D image. Further refinements can be made at this point.

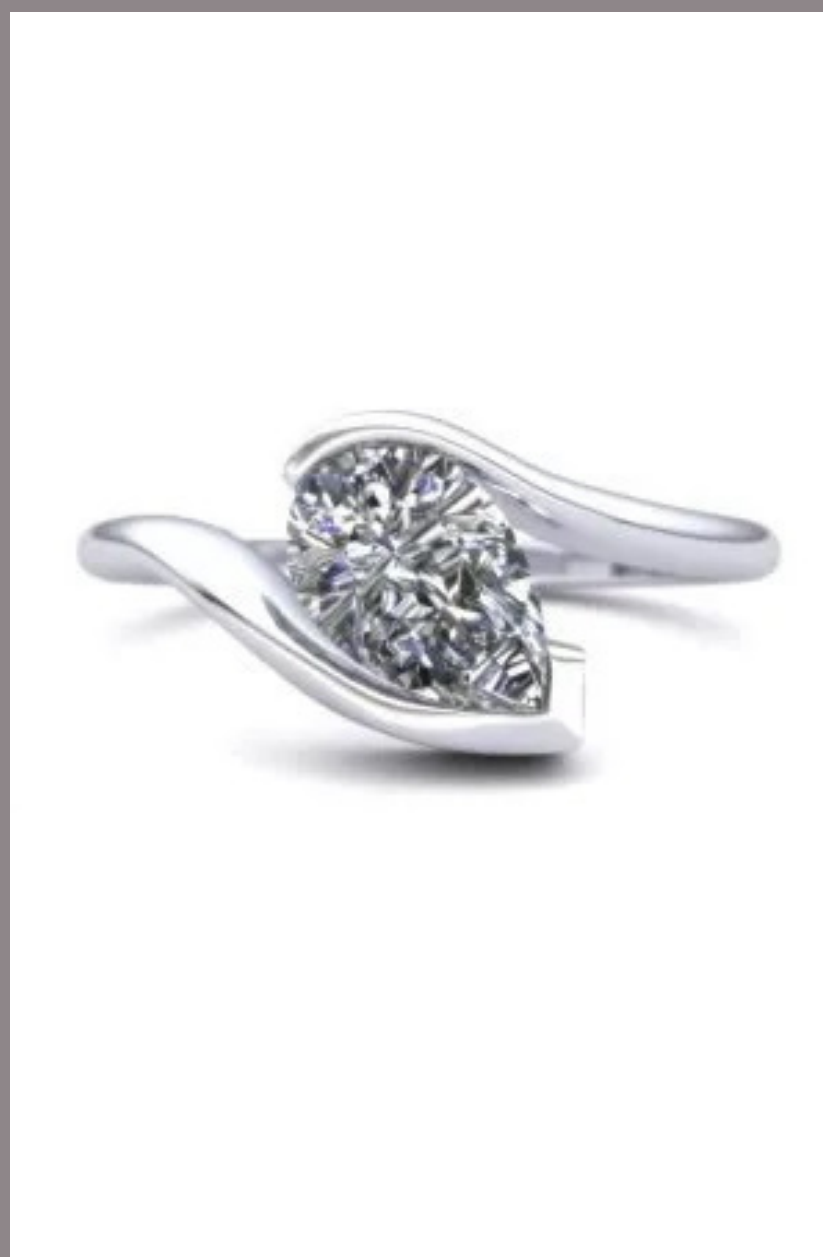

FINAL DESIGN

Once the design and cost have been agreed, one of our goldsmiths will make your engagement ring.

Engagement Rings

Customers can choose from some of our in-stock [engagement rings](#).
