Trusted Traders: Wimborne Roofing Specialists Ltd

With over 20 years' experience in the trade, people are able to rely on Wimborne Roofing Specialists Ltd to fix their roofs quickly and efficiently.

This family run business was set up with the clear intention of providing a friendly and efficient service to the local community: to give great results, without burning a hole in the budget.

Wimborne Roofing Specialists covers a wide area including Broadstone, Corfe Mullen, Canford Heath, Sturminster Marshall, West Moors, Ferndown, Merley and St Ives.

In this area, the company is known for providing an outstanding and efficient service as well as giving great customer service.

All members of the team are qualified and experienced. If the company needs to use other specialists it always makes sure to hire well established, qualified and local tradesman. No fly-

by-night cowboys are allowed.

Wimborne Roofing Specialists will give a free quotation and the firm is happy to discuss flexible contact hours. All the work is guaranteed and the company has full liability insurance.

The services provided ensure that customers get the most for their money, and the firm's customers are happy to recommend the company to family and friends.

Wimborne Roofing Specialists' services include: felt roofing, converting flat roves to pitched ones, installation of Velux and other roof windows, tiling and slating, roof cleaning, lead work, gutter renewal and refurbishment, installation and repair of upvc fascia's and soffits, and general roof repairs.

The firm also does chimney work. Chimneys can be lowered, repointed,

repaired or rebuilt as customers require.

Wimborne Roofing Specialists Ltd will keep you warm and dry on rainy days. Whenever you have problems with your roof call them first to discuss your options.
