

## eDesign Questionnaire

---

In order to process your order we require a description summarizing the following:

1. Measurements of your room to include a sketch of a floor plan, floor to ceiling heights and please include door and window measurements (please look at our measuring guide for assistance)
2. Colour/style preferences (could include 2 or 3 inspirational images, Jpeg format only)
3. What you like and dislike about the space
4. How you plan to use the space
5. Existing items that you wish to remain in the space
6. Approximate budget for the space including designer fees
7. Any additional information you could provide us with please do!

A large, empty rectangular box with a black border, intended for the user to provide a detailed description of their room and preferences as requested in the questionnaire.

Please send your completed description to [lisaclemett@lisasinteriors.co.uk](mailto:lisaclemett@lisasinteriors.co.uk)

To send a more detailed description, please fill out the questionnaire on the next page.

For a more in-depth description please fill out this questionnaire as it will assist when making design decisions for your space and email to [lisaclemett@lisasinteriors.co.uk](mailto:lisaclemett@lisasinteriors.co.uk)

There are many aspects of your new design to consider; such as the use of space, creating the right atmosphere and a visually pleasing space.

Please answer the questions as fully as possible – after all, I want the new space to work for you!

1. What room would you like the eDesign to be commissioned for?
2. How will you be using the space most of the time?
3. Is the room going to be used for more than one purpose?
4. Will the space be prone to a lot of traffic? If so, envisage how people may move through the space.
5. Study the location of the space to determine it can be used as you'd like without disrupting the natural flow of the overall space (please see circulation plan in measurements guide for reference).
6. Will the re-design include any other rooms at a later date that link to the one in question1?
7. (You may want to consider changes to adjoining rooms even if you do not plan on their redecoration right away).

8. What type of lighting do you require in the space?
9. E.g. do you need bright lights for activities, and warm, subtle lighting for quiet times, or perhaps some of both?
10. Will you need additional elements such as new electrics, heating or plumbing? (If changes to these elements are required, we suggest you make contact with these professional before I put together an eDesign for you).
11. What kind of feeling do you want the space to have?
12. What inspires you to choose colour options and decorative elements?
13. What is your budget for the total project, including designer fees?

Once completed, please email to [lisaclemett@lisasinteriors.co.uk](mailto:lisaclemett@lisasinteriors.co.uk) with the following:  
Measurements (please look at the measuring guide on the website for assistance)  
Photos and inspirational pictures (please send Jpeg format only)

Many Thanks

#### eDesign Service Policies

Upon receiving the eDesign package, you will handle the final stages of purchasing and placement of items. My eDesign Service is a dynamic and innovative design concept that allows me to assist you in creating beautiful, fashionable designer rooms for your home. The digital mood boards are tools to assist you in creating your new space. The boards shown on the website are not included in the listing; they are samples from the designer's portfolios. All the elements suggested are possible ideas for inspiration only; yours will be a bespoke design according to your design style and budget. Please be aware that this is an eDesign service only and upon purchasing the board you are liable for implementing and ordering of all products. We kindly suggest that you check all dimensions, read product reviews and carry out research prior to purchase so that you can make the best decisions. Lisa's Interiors are not responsible for any purchases or orders that you are not satisfied with. The selections are based on my best choices for the design.
