

SSIP HELP

Safety Accreditation Solutions

Safety Accreditation Solutions Ltd can provide the support and expertise you need to easily get Constructionline, Builders Profile or any SSIP accreditation scheme like CHAS, Safecontractor, SMAS or Acclaim Accreditation.

We know exactly what information and evidence they are looking for to meet the pass criteria.

Let us take the burden whilst you continue with your daily work activities.

What can we do for you?

We offer a simple, hassle free and cost-effective solution to assist you in obtaining your Constructionline, Builders Profile and SSIP accreditations.

We are here to provide you with the information and documentation required to pass – quickly and easily.

Not got the required information or documentation to pass an SSIP member scheme assessment? We will fill in the gaps for you with any bespoke documentation needed and, if required, be your competent Health and Safety Advisor.

Why Choose Us?

Qualified SSIP assessor

Former SSIP Board Member

Former Acclaim Accreditation scheme manager

Over 12 years experience of the CDM regulations as a CDM Coordinator / Principal Designer and reviewing supplier health and safety assessments, we know exactly what you need for a successful application.

Safety Accreditation Solutions Ltd – THE Solution to your accreditation problems
